## The Interlude:

### Great Multitude

- **Great multitude = all of redeemed**
- **Surrounding Angels and host worship**
- **“Who are these” = Redeemed**
- **Picture of worship**

**“When we stand before the great white throne with the living creatures, elders, and angels surrounding it and see all the angels of heaven rejoicing with us and praising God for what he has done for us, it will be a scene beyond anything we can imagine. How can anyone read this passage without a sense of worship and overwhelming awe? How can any Christian meditate on it without reaffirming his or her commitment to put the Lord first in everything? Can any earthly achievement begin to compare with this scene? Those who sacrifice everything and compromise their ethics to walk corridors of power in Washington or in corporate headquarters around the world need to look at this passage again. Is it worth it to gain the whole world and lose your own soul”**
